Performing Orchestra: Harmony Society Symphony Orchestra

Reason for selection:

1. **Orchestra Profile:** Based in Shanghai, the Harmony Society Symphony Orchestra (founded in 2023) is dedicated to becoming China's premier professional ACG orchestra. Equipped with Shanghai's top-tier recording studio and an independent music arrangement team, the orchestra specializes in innovative adaptations of anime/game soundtracks. Under the artistic direction of young conductor Shi Xiaopeng, it brings together musicians who graduated from the Curtis Institute, the Royal Academy of Music, the Central Conservatory of Music, and the Shanghai Conservatory, most of whom have professional orchestra backgrounds.
2. **Competitive Advantages:** As one of China's most technically accomplished anime orchestras, Harmony Society possesses unparalleled experience in game/anime-themed concerts while maintaining guaranteed professional standards. Their strategic local presence in Shanghai's Yangpu District ensures organizational convenience through reduced commute uncertainties and cost-effective logistics, making them the ideal partner for this production.
